

## **Texas Caucus of Black School Board Members**

The Texas Caucus of Black School Board Members (TCBSBM) continues to strive to improve Texas public education through its partnerships, advocacy, and education initiatives. During the last couple of years, we have significantly enhanced our reputation and impact across the State. Our Corporate and Organization sponsors have been a huge contributor to our success through financial support and general partnerships. In order to continue to elevate this support, we have created our first overall Sponsorship/Donation Level guide, which we have attached for your information. This guide will allow you to know in advance the type of activities that you can support and the recognition that we will provide.

As background information, TCBSBM is a 501 (C) (3) non-profit organization that speaks on behalf of quality education for all children in the state of Texas. We promote better relationships and understanding between African American school board members, their local communities and local school boards, the Texas Association of School Boards; and the National School Boards Association. With active members from across the State of Texas, TCBSBM is the premier professional society for African American school board members, educators, and our partners.

TCBSBM provides exposure to its sponsors primarily at a State and local level and sometimes nationally. We have become well known across the State for the following:

- Summit – annual conference addressing major educational issues with national, state, and local leaders
- Advocacy – pursuing legislative priorities and discussions of the most critical issues facing African American and all students
- Special studies – recent analysis on the national, state and local achievement gap issues and actions to overcome the gaps
- Scholarships – newest program focused on provide financial assistance to high school students entering universities or colleges

We welcome all level of sponsors and hope that you will include TCBSBM in your gift giving and support to public education. If you have any questions, contact our Treasurer, Bobby Blount at 210-334-1320 or at [treasurer@tcbsbm.net](mailto:treasurer@tcbsbm.net) Thank you for reading our letter and we look forward to seeing your company or organization name at one of our events.
