Professional and Community Organizations

Name	Office/Position

Honors and Awards Received

Criteria

Performance over and above job description:

Performance of job duties in an exemplary and extraordinary manner to include such activities as curriculum development, tutoring without compensation, mentoring and other support activities.

Activities that benefit the community:

Evidence that the nominee participates in activities or organizations that benefit the community in such a way that it positively affects students. These activities could include volunteer work in public libraries, homeless shelters and community food banks as well as services such as reading for the blind and work with adult literary programs.

Activities that benefit the student:

Relationships with staff, students and the public that create a positive impact on the learning environment for the disadvantaged, at-risk student, or minority student. This might involve counseling potential dropouts and gang members, sponsoring drug abuse programs and providing services for handicapped and special learning needs students.

Actions exhibiting selfless conduct toward others:

Evidence that the nominee acts upon a genuine concern for the welfare of others.

Examples of innovation, creativity and leadership:

Development of innovative and creative exercises, activities and projects in the classroom, campus or central office that promote student success.

Statement of professional philosophy:

The philosophy that drives the nominee's attitudes and actions.
