

13th ANNUAL TCBSBM EDUCATIONAL SUMMIT

Accountability and Educational Equity A 20 /20 Vision

Examining the Caucus Core Beliefs: Accountability and Equity

It is time to stop the chatter on accountability and begin the work that goes beyond letter grades. As an organization we endeavor to address the needs of board members and empower them to be confident in their conversations on the high number of in-school suspension, speaking about at-risk students, addressing social emotional needs and looking at programs through a lens of equity.
